It's Big... It's Bold... It's Back... Derby Festé 2010

Already recognised as one of the most spectacular weekend festivals of its kind, this year's Derby Festé promises to bring some of the very best outdoor acts in the world to the streets of Derby from 24 to 26 September.

The three-day festival will bring a variety of international and local artists together for a feast of eye-popping live performances which will both stimulate the senses, and take your breath away.

Since Derby Festé first appeared, we've seen fire-breathing dragons roaming the streets, daring aerial acrobatics, and the entire city centre brought to life by street parties and live bands.

The theme for this year is "Colour & Light" and will get under way on Friday 24th with a magnificent Luminarium on the recently landscaped Cathedral Green and an outdoor disco in the city's market place.

The undoubted highlight will be the internationally acclaimed percussion and pyrotechnics act, Les Commandos Percu, who will help to make the city rock with a choreographed performance on the Bass' Recreation Ground on Saturday 25th.

Ant Hampton (Rotozaza) and Glen Neath: The Bench

An intriguing conversation with a stranger...

Friday 24 10am – 8 pm

Saturday 25 10am – 8pm

Sunday 26 10am – 8pm

On park benches throughout Derby's city centre
FREE

The Bench mixes real and fictional tensions to create a funny and somewhat surreal 45 minute experience for two people, meeting for the first time. Like Rotozaza's Etiquette (in QUAD Café, Festé 2009), The Bench is an 'Autoteatro' performance: This is your stage. You are the actor and the audience. There is no-one watching - other people around won't be aware of it. You wear headphones which tell you both what to say and do. By simply

listening and responding accordingly the dialogue and small movements fall into place.

To book your 'Bench' experience and reserve mp3 and headphones, follow the simple instructions on www.anthampton.com/bench_derby or contact QUAD box office on **01332 290606**

Co-Commissioned by Derby Festé, Norfolk and Norwich Festival and Fusebox, USA.
